November 16th and 17th, 2019
9:00 am to 5:00 pm both days
(16-hour curriculum)

Clancy & Theys Construction Company
11830 Fishing Point Drive, Suite 201
Newport News, VA 23606

CPR is a prerequisite to the course and is NOT taught as part of the curriculum but can be arranged. Contact us if you need CPR.

Because we must pre-order course materials, **no walk-ins** will be accepted. Payment can be made by card online, or by cash/check on the day of the event.

Pre-Register online at
www.hrbstraining.com
